

## imagination playground in a box™

Imagination Playground in a Box is a kit of parts suitable for a variety of outdoor and indoor sites. It offers a cost-effective means to provide children with opportunities to engage in open-ended, free play. The set includes Imagination Playground Blocks™, parts that encourage sand and water play, a starter kit of “found parts,” and a storage unit on wheels. The “In a Box” model can be wheeled indoors and outdoors, and is suitable for supervised sites, such as child care and school settings. The two-part container can be used as open shelving or as closed storage.
